

## FICHA TÉCNICA / TECHNICAL DATA SHEET

### Modelo / Type Designation

|                                                           |                                                     |
|-----------------------------------------------------------|-----------------------------------------------------|
| Código / Item:                                            | 80090                                               |
| Artículo / Article description:                           | CUBO PP CUAD 3,5L A/PL BL                           |
| Material / Raw Material:                                  | Polipropileno / Polypropylene                       |
| Color / Colour:                                           | Blanco, color bajo pedido / White, color on request |
| Tara / Tare Weight [Kg]:                                  | 0,107                                               |
| Capacidad Nominal / Nominal Capacity [L]:                 | 3,50                                                |
| Capacidad a rebose / Brimful Capacity [L]:                | 4,10                                                |
| Apto para mezcladoras de pintura / Paint mixing-machines: | No / No                                             |
| Peso máx. apilado / Max. stacking weight:                 | 18Kg a/at 20 °C                                     |
| Homologación / UN Approval:                               | -                                                   |
| Aptitud alimentaria / Food Approval:                      | Sí / Yes                                            |

### Decoration / Decoration

|                                                 |                                       |
|-------------------------------------------------|---------------------------------------|
| Impresión Offset en cubo / Bucket Offset print: | -                                     |
| Impresión IML en cubo / Bucket IML:             | Disponibilidad IML / IML availability |
| Impresión Offset en tapa / Lid Offset print:    | -                                     |
| Impresión IML en tapa / Lid IML:                | Disponibilidad IML / IML availability |

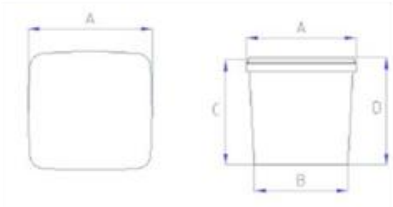

### Palet / Pallet

|                                      |          |
|--------------------------------------|----------|
| Base Palet (mm) / Pallet Base (mm):  | 800x1200 |
| Unidades Palet / Units per pallet:   | 1.728    |
| Unidades por fila / Units per layer: | 24       |

### Tapón-Tapa y complementos / Caps & Lids + Components

|                      | Tapa / Lid                    | Grip / Role | Tapón / Bung | t-Junta / B-Gasket | Asas / Handles     |
|----------------------|-------------------------------|-------------|--------------|--------------------|--------------------|
| Modelo / Model:      | -                             | -           | -            | -                  | -                  |
| Material / Material: | Polipropileno / Polypropylene | -           | -            | -                  | Plástico / Plastic |
| Peso / Weight [Kg]:  | 0,04                          | -           | -            | -                  | 0,006              |

### Dimensiones / Dimensions

| Cotas / Measures                                                                                                                                                                                                                                                                                                                                                                      | Plano / Plan |      |                                        |       |                                        |       |                     |       |                                       |       |                                                                                                                                                                           |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|------|----------------------------------------|-------|----------------------------------------|-------|---------------------|-------|---------------------------------------|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
