| Artículo / Article description:                                    | CAJA PP PLEG REJ 600x400x185 GR |
| Material / Raw Material:                                           | Polipropileno / Polypropylene   |
| Longitud externa máxima / External max length [mm]:                | 600,0                           |
| Ancho externo máximo / External max width [mm]:                    | 400,0                           |
| Altura externa máxima / External max height [mm]:                  | 185,0                           |
| Longitud interna mínima / Internal min Length [mm]:                | 576,0                           |
| Ancho interno mínimo / Internal min Width [mm]:                    | 372,0                           |
| Altura útil interna / Internal Usable Height [mm]:                 | 176,0                           |
| Color / Colour:                                                    | Gris / Grey                     |
| Altura de anidado incremental / Incremental Nest Height [mm]:      | -                               |
| Altura de apilado incremental / Incremental stack height [mm]:     | -                               |
| Apilable / Stackable:                                              | Sí / Yes                        |
| Encajable / Nestable:                                              | Sí / Yes                        |
| Porcentaje de anidado / Nesting Percentage:                        | -                               |
| Peso neto / Net weight [kg]:                                       | 1,72                            |
| Volumen útil / Usable Volume [L]:                                  | 37,7                            |
| Capacidad de carga individual / Individual Load Capacity [kg]:     | -                               |
| Carga estática máxima / Max Static Load [kg]:                      | -                               |
| Carga dinámica máxima / Max Dynamic Load [kg]:                     | -                               |
| Rango de temperatura de operación / Operational Temperature Range: | 0 °C a/to 70°C                  |
| Tipo de base / Base Type:                                          | Perforada / Perforated          |
| Tipo de pared lateral larga / Long side wall type:                 | Perforada / Perforated          |
| Tipo de pared lateral corta / Short side wall type:                | Perforada / Perforated          |
| Asas en lado largo / Handgrips Longside:                           | Sí / Yes                        |
| Asas en lado corto / Handgrips Shortside:                          | Sí / Yes                        |
| Aptitud alimentaria / Food Approval:                               | -                               |

### Palet / Pallet

|                                     |          |
|-------------------------------------|----------|
| Unidades Palet / Units per pallet:  | 430      |
| Base Palet (mm) / Pallet Base (mm): | 1200x800 |

### Dimensiones / Dimensions

| Cotas / Measures                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Foto / Photo                               |      |                 |     |               |     |                   |     |                                            |      |                 |     |               |     |                   |     |                                                                                      |
